# Copyediting

This stage of editing comes *after* all story-level issues have been resolved. Copyediting ensures your writing is clear, consistent, and correct.

Copyediting resolves line-level issues such as grammar, spelling, syntax, punctuation, and consistency in minor story details.

## **This service includes:**

- (1) 2 **full readthroughs** of your manuscript
- (2) Preparation of a custom **style sheet** to track grammatical and spelling choices for consistency
- (3) **In-line corrections** via Microsoft Word's Track Changes
- (4) A **small** amount of **comments in the margins** to address specific copyediting questions or patterns throughout the manuscript
